Dear Agata, dear Jacek,

Im happy to confirm since the beginning of our cooperation that HSJ is a reliable partner, open for implementing new technological innovation,

Using by HSJ the highest standards in the range of promptness and the guaranteed quality of products give us opportunity to realize orders mainly for automotive, or important end user.

I would like to insist about the fiability, the good reactivity, the professionalism and the dynamism with the team in effect.

Kindly Regards

Pierre BRIOUDES  
Sales & Purchasing Director
